## 1. Chapter 1: Just you and me

**HEY! So now I will start the story. Hope you enjoy! **

** DISClAIMER: I don't own any PJO**

"Hey Annabeth, can I talk to you for a second?" Percy asked interrupting my conversation with Jake, the new kid. He came a month ago and I'm just showing him around camp half-blood. I looked at him and his sea green eyes were full of sadness. I looked at Jake, we were talking about the training area and we were about to play a game of capture the flag with the others, Thaila, Grover, Jason, Piper, and Leo. We were all great friends.

"Hold on one second Jake, I'm sorry" I said going over to Percy who was sitting down near the lake. He threw rocks in the water waiting for me.

"What's up?" I said sitting down next to him and looking at him. He sighed.

"Annabeth, You seem kind of distant lately. You hang out with Jake more than your boyfriend" He said looking into my eyes. I stared at him and let out a little laugh.

"What are you jealous?" I smiled. He shook his head quickly.

"No, It's just you seem to like his company more than mine. I know you're trying to help him Wisegirl, but I think he's got the hang of it" He said looking down at the water. Ever since Jake came I noticed that I haven't spent any time with Percy at all. When he asked me to

hand out or go on dates I simply say I have to meet up with Jake.

"Look, Percy you have to trust me. I'll make it up to you okay. Tonight let's go hang out the two of us. No one, but you and me" I said putting my head on his shoulder. He smiled.

"Meet me back here at 8:00, I have something in mind" He grinned and kissed me on the cheek and left. I smiled.

I ran to my cabin and got ready to go back to the lake. I put on a white blouse and some blue jeans with my hair up in a ponytail. The door knocked and I opened the door seeing Jake standing there smiling .

"Hey, what are you doing here?" I said letting him in. He had blond hair and blue eyes. He wore a sweater with black jeans.

"I came to talk to you, so in the mortal world we have something called school and Math. I need help" he said grinning.

"I know what they are. Math, sure you got your stuff, or do I have to come over" I said forgetting about Percy.

"I'll be right back" he went back to his cabin.

The next morning Jake and I were grabbing breakfast. Thaila came over to our table along with Jason and Piper.

"Hey, Annie" she smiled.

"I told you never call me that" I punched her playfully in the arm.

"Must've slipped my mind" she said. Piper and Jason laughed. They were couple.

"Annabeth" I turned seeing Percy behind me.

"You stood me up last night" He said his words hit me hard. The Date. I forgot. I stood up quickly.

"I'm so sorry, Jake came over and-" He stopped me. He shook his head.

"Again with this Jake guy. If you love him just say so don't lie to my face, Annabeth!" he said raising his tone. His eyes were filled with sadness.

"I'm not lying he came over for help on his Math-" He sighed.

"No, I'm done. If you care more for him. Then fine be with him kiss him all you want" He said looking a Jake then back at me.

"Enjoy your new Boyfriend" he said and walked away. Everyone stared at me after he left.

I ran out after Percy calling his name. He clearly heard me, but ignored. I grabbed my dagger and threw it by his ear and it hit a tree. He turned at me. Gotcha.

"The hell was that for!" he yelled looking back at the dagger in the tree.

"You weren't listening to me!" I yelled at him. I was mad that he couldn't trust me and to think that I had something for Jake. Unreal. Went through so much together and here he is thinking the worst of me.

"Ok then, I'm listening. Oh, you have nothing to say! that's unfortunate you're the daughter of Athena I thought you were Wise!" He said and I looked down.

"There is nothing going on between me and him" I said my eyes were starting to fill with tears.

"Really! So your boyfriend just slipped of your mind. You miss dates to go hang out with that guy. Sure nothing weird happening between you two" He said and shook his head, "Maybe it's for the best Annabeth. I have to go see you around"

**So there you have it guys. Hope you enjoyed that. So yeah. I'm going now sorry it was short, but I felt that that was a good place to end it so till next time :) Guys so I'm just starting so this first chapter may suck. It'll get better I promise.**

2. Chapter 2: Once again

**Hey I'm posting again! I just want to be able to post these stories before Monday since I got school. Hope you enjoyed the first one. Please good reviews. I will get better stick with me I got a few tricks up my sleeves ;). Now enjoy this chapter. **

5 years passed, My friends and I all went separate ways. I never really kept in touch. Jake and I stopped talking after the whole fiasco with Percy. Percy also hasn't talked to me in a long time. I walk around New York and stop by stores checking out what's new. I haven't seen Percy around, but I never would had the courage to talk to him. Mostly I'm thinking of our moments we had together. I don't blame Jake at all for any of this. I blame myself for not being with Percy. He had every right to be mad at me and to break up with me.

I got back to my car riding over to Starbucks and I turned on the radio, it was playing "Misery" by Maroon 5. I loved that song. I go up to the counter and a cashier looked at me and she said, "Hey, what can I get you?"

"Um, Latte, Please" she nodded and left. Clapping then started I turned and outside I saw someone with a guitar and other guys with instruments. I pay my latte and go to check it out. The guy had raven black hair and a black shirt and blue jeans. I looked in his eyes, sea green eyes the only time I have seen sea green eyes is,

"Hello everyone I love to welcome you Percy Jackson singing 'kiss me slowly' " A man with a microphone said and walked out of the way. Percy had become a singer? No way.

"Hey, you guys have heard me on Youtube singing, thank you guys, most of you considered for me to take a singing career, but I'm just doing

this because It's fun. Now enjoy" He smiled. That smile I had Missed. He had changed a lot. He was more muscular and taller. He got his guitar ready and music played.

**Stay with me, baby stay with me,**
>Tonight don't leave me alone.
>Walk with me, come and walk with me,
>To the edge of all we've ever known.

**I can see you there with the city lights,**
>Fourteenth floor, pale blue eyes.
>I can breathe you in.
>Two shadows standing by the bedroom door,

>No, I could not want you more than I did right then,

>As our heads leaned in.

**Well, I'm not sure what this is gonna be,**
>But with my eyes closed all I see
>Is the skyline, through the window,
>The moon above you and the streets below.

>Hold my breath as you're moving in,
>Taste your lips and feel your skin.
>When the time comes, baby don't run, just kiss me slowly.

**Stay with me, baby stay with me,**
>Tonight don't leave me alone.
>She shows me everything she used to know,

>Picture frames and country roads,
>When the days were long and the world was small.

**She stood by as it fell apart,**
>Separate rooms and broken hearts,
>But I won't be the one to let you go.

**Oh, I'm not sure what this is gonna be,**
>But with my eyes closed all I see
>Is the skyline, through the window,
>The moon above you and the streets below.

**Hold my breath as you're moving in,**
>Taste your lips and feel your skin.
>When the time comes, baby don't run, just kiss me slowly.

**Don't run away...**
>And it's hard to love again,
>When the only way it's been,
>When the only love you knew,
>Just walked away...
>If it's something that you want,
>Darling you don't have to run,
>You don't have to go ...

**Just stay with me, baby stay with me,**

**Well, I'm not sure what this is gonna be,**
>But with my eyes closed all I see
>Is the skyline, through the window,
>The moon above you and the streets below. (Don't let go)
>Hold my breath as you're moving in,
>Taste your lips and feel your skin.
>When the time comes, baby don't run, just kiss me slowly.

**Oh, I'm not sure where this is gonna go,**
>But in this moment all I know
>Is the skyline, through the window,
>The moon above you and the streets below. (Baby, don't let go)
>Hold my breath as you're moving in,
>Taste your lips and feel your skin.
>When the time comes, baby don't run, just kiss me slowly.

I looked at him. Cheering erupted from the crowd. He smiled and then thanked everyone for coming. He looked at me and his smile dropped. He looked at me for a long time. I pushed past the crowd and ran out into the field. I heard footsteps from behind me I tried to run faster, but a hand grabbed me.

"Annabeth?" He said. I looked at him. He smiled, I couldn't help, but smile back.

"Hey Percy" I said softly, he let go of my hand. We stood there awkwardly looking at each other.

"So.." Percy said looking around.

"So.." I said, "How have you been?"

"Fine, You?" He said.

"Okay, so, you sing" I said. He nodded and smiled.

"Um, let me explain thing over coffee. Can you meet me sometime today? " he said running his hands through his hair.

"Yeah, want to meet back here? " I said. He nodded, "Perfect" he smiled and left.

I drove back home and remembered the song he had played and remembered he said he owns a Youtube channel. I searched for 'Kiss me Slowly' and there was a photo of him with a guitar hanging over his shoulder. I clicked on his channel and I played this song called "Ridin' Solo" . All this time I never knew. I glanced at the clock, 8:00.

"Better head over now" I said and started getting my purse and driving over to the park.

**Hey everyone. Hope you enjoyed that. I did. So I'm going to write another one in a few hours. Just to collect my thoughts if not then tomorrow for sure, and I'll have to find a way to fit it to my daily

3. Chapter 3: Someone Different

**Hey guys! This is the last one for the day hope you enjoyed those other two this one will be long hope you enjoy! **

I slowly walk towards the open field and spot Percy there sitting on a bench. He got up and sighed.

"You're leaving already" I said from behind him, he turned and smiled.

"Hey, yeah, thought you had ditched this night" he said looking down. He sat back down and scooted over motioning me to sit next to him.

"Sorry, I was late. So what have you been up to these Years" Percy said looking out in the open.

"Nothing really. Just work and bills" I let out a small laugh. He laughed along.

"Well, I wrote songs for YouTube, but just for fun. Grover told me to after hearing me sing one of my favorite songs 'Afterlife' by Shawn Mendes" he smiled.

"Wait, you've seen Grover. I haven't seen him in years" I said.

"Yeah?" He said looking at me, "Thaila, and Grover, Piper, Jason kept in touch. Well now we barely see each other, but we see each other"

"What have they been up to?" I said, and why haven't they kept in touch with me?

"Um, Thaila, just normal life she works at Starbucks" My eyes widened.

"So that's the girl who works at the cashier" I said, "So you see Thaila a lot" He nodded.

"Grover, he makes YouTube videos, gaming" he said. Jason and Piper

were engaged, they were 24.

"Look, about 5 years ago, back when we- broke up- I'm sorry. I don't want to stay mad at each other. Can we just be best friends again?" He said looking in my eyes. Best friends? I don't even know if that's what I think out us. Not even less than friends.

"Best friends" I smiled, he hugged me and smiled as well.

"I'm sorry, how's Jake?" He asked.

"Jake? I haven't heard from him in 5 years, after the 'fight' he and I never really talked anymore" I shrugged. He shook his head.

"It's all my fault. You'd still be friends if I was never jealous"

"No, it's not your fault, I understand how I acted to make you think that I like him" I said. He gave a small smile.

"Well, I have to go, by best friend " He said getting up with me.

"Seaweed brain" I smirked.

"Wise girl" he said. He then nodded and left. Yep, I still so in love with him.

I went over to Starbucks to see Thaila. Sure enough she was there all bored. She sighed when I came over.

"What can I-" I stopped her and I said something smart.

"Thaila, daughter of Zeus as a Cashier"

She stood up and she was lost in words.

"Never thought this of you Thaila" I continued, "Back at camp half-blood you were determined and fierce , but I don't find any of that here"

She finally got the idea, "Annabeth!" She hugged me over the counter.

"Can't-Moveâ€¦.Stomach-Hurts" I said, she quickly let go and smiled.

"My shift ends in five, wait for me" she smiled.

"What if I don't?" I said.

"Then I'll call you Annie, for the rest of your li-"

"Okay okay! I'll wait" I smiled putting my hands up in surrender.

I sat near a window waiting for Thaila who took FOREVER, geez. Then Someone came over scaring me. I yelped and jumped in my seat.

"Hahaha" Thaila came around me, "Priceless! Should've recorded that!"

She laughed.

"Did I really just Yelp" I said covering my mouth. Thaila grinned and nodded.

"I hate you" I said.

"Not nice to say to your long lost best friend" she smirked. I laughed.

"OhmyGods, how are you Annabeth?" She said.

"Great, I saw Percy again" I said, her smile dropped.

"Percy? I thought you hated each other" she said. I shook my head.

"No, we said sorry and became friends again"

"Well, at least you don't hate each other" Thaila said. Then someone came in he had Blond hair and Blue eyes, He wore Khaki pants and a black shirt. He came over to our table. I hid behind the seat quickly. Thaila looked behind her and saw the problem.

"Hey, Jake" she said.

"Hey, who was your friend? I saw her and then she left" he said.

"Yeah, she had to leave" Thaila said shrugging.

"What's her name?" He said sitting with her.

"Lucy! Yeah, her name is Lucy" Thaila smiled big.

"No, to be honest that looked like- ANNABETH" he said gasping. I gasped as well, Jake turned and spotted me.

"Hey, Jake" I waved getting up slowly.

"Annabeth?"

"I have to go, See ya" I ran past him and he ran after me.

"Wait, Annabeth!"

I ran through New York, with him behind me I ran into a clothing store and grabbed a few clothes and a wig going in the dressing room. I hid until Jake passed by the store. I was what I had grabbed, a pink wig and pink jacket with a pink skirt and glasses. Dang no grey. I put it on and went out to the cashier. I laid down 100 dollars.

"Keep the change" I told the women.

I ran out and took out the tags and went out. I walked in the crowd heading back to starbucks and I bumped into someone. I looked to see it was Percy.

"Oh, I'm sorry. I wasn't looking where I was going" He smiled.

"Um, Yeah. Sorry about that" I blushed. He stared at me in amazement.

"Sorry, I don't regret bumping into you, look can I take you out to dinner at least" He said, "I won't take no for an answer" He smiled. I just nodded.

"Can I have your number?" He said holding out his phone nervously. He was nervous around me?

"Yeah, sure" I said taking his phone, then that gave me an idea. I can be her and find out more of what he thinks of me and how he feels.I gave him back his phone.

"What's your name?" he asked putting his phone back in his pocket.

"Sarah, Sarah Sandra" I said, I smiled at my idea.

"Okay, Sarah My names Percy, Percy Jackson. Where can I pick you up?"

"Nice to meet you Percy, Um, the park near starbucks" I pointed in the open field.

"Great, I'll pick you up at there, but why not at your house?" He said.

"I just met you I don't think I want a stranger knowing where I live" I smiled, so did he.

"Nice point, Okay I'll see you at 7:30pm" He said walking away. I sighed, what have I gotten myself into

**There you have it the third chapter hope you enjoyed. Good reviews and things you think I could improve on are welcome :) Next Chapter is soon. I know the first two chapters suck, but I think now they are getting better. This is Maria signing off. **

## 4. Chapter 4: Date

**Hey guys! Today is special because today Annabeth goes on the date with Percy as Sarah. Jake finds them. I won't go too into detail, but this one is tense I promise you that. Now sit back and enjoy the show, wait no that's wrong, sit forward and read. Eh, not good enough. Well enjoy! :)**

I look in the mirror one last time. I sigh, this is going to be just with Percy nothing too big, right? Oh who am I kidding this was nerve wrecking, what if he found out that I was actually not Sarah just me in disguise. I just really miss Percy and those times where I didn't have to be someone in disguise, just me. Then, there's Jake. I haven't seen him in a long time. He chose the wrong time to come back into my life. I think back to when he confessed his love for me back at camp half-blood when me and Percy broke up.

_I walked through camp just watching what was around me. Today Thaila had thought it was funny to scare me, but she was wrong that fun turned to near death for her. She came up from behind me, I had heard footsteps and then a hand on me I turned throwing a dagger above her head. _

"_My gods, Annabeth. It's just me" She said slowly uncovering her head. _

"_Sorry thought you were a monster!" I said chucking. _

"_Yeah, next time I'll make sure I call next time saying 'Hey just wanted to let you know, I'm going to scare you!' " She said making the phone sign with her hands. _

_Jake then snapped me out of my trance and smiled. He was pretty happy today during training so I finally asked, "Hey, want to tell me what's wrong with you? You're all happy and stuff" _

"_Is it illegal to smile and be happy" he smirked._

"_Um, yeah, so?" I said crossing my arms. He shook his head._

"_Not here, where's Percy?" he asked. I frowned, Percy the one who won't want to be anywhere near me, the one I miss, Jake's worried about him._

"_What does Percy have to do with your happiness?" _

"_Nothing, just want to make sure he doesn't hear us" he said looking around us._

"_Well he isn't here, want to tell me now" He grabbed my arm pulling me into the forest. I groaned, really what is so important you don't want Percy to know? We stopped halfway into the forest._

"_Okay, here it goes. Annabeth, you've been there for me since day one, thank you. I've grown close to you. You're fun to be around, it's like heaven for me. What I'm trying to say is that, I-I love you" He said looking into my eyes. My heart stopped. Jake leaned in to kiss me, but I stopped him. His eyes were showing confusion._

"_Jake, I'm sorry, but I think nothing of you but my friend. I'm sorry you think that I do, but I don't my heart is-" with Percy "elsewhere" I said. He scoffed._

"_After everything I've done to make sure you love me back, you still don't. Me making a fake homework for you to help me on, still nothing" He said, I stared in disbelief. He did that? He made me miss my date, He made Percy break up with me. Anger rose up inside of me. I smacked him. He looked at me._

"_You, Idiot!" I yelled, now I was thankful that we were deep in the forest. He stayed quiet rubbing his face. For some reason I also don't blame him because I'm the one to blame because I hung out with him a lot, I sent him the wrong message. I ran straight out the forest crying. I past by Percy, he looked at me worried, he looked like wanting to follow me, but I shook my head no. None of this would've happened if Percy never broke up with me. I cried all the

way to my Cabin. _

I shake my head in frustration, I get up and start to head towards the park. Percy stood there dressed very fancy and he smiled when I came up to him.

"You look beautiful" he said. I looked down at my clothes, I wore my pink jacket with my Pink wig and my glasses. I didn't think Percy would go for someone like this, all _pink_, but I guess he does. He held out his hand and we walked out onto the sidewalk.

"So, where are we having dinner?" I said looking at people out on the streets getting out of work or going on dates, they all were busy. Percy grinned.

"There is this Italian restaurant, it's my favorite place to go eat" he said. I nodded. When we reached the restaurant, it was beautiful and fancy. The waiter took us to our table and handed us our menu. She asked, "what can I get you to drink?" She smiled at us.

"Sarah?" Percy said.

"Huh? Sarah?" I said then I forgot I was the one in disguise.

"Oh, right me" I said gulping, "Water"

"You, sir" the waiter said.

"Um, _Sgroppino_ please" He said. She nodded and left.

"So, let's get to know each other. I'm Awsome, Handsome, Cheesy, and oh right, loving" Percy grinned. I laughed and so did he.

"I agree with all those except one" I said.

"Which may I ask?" Percy grinned.

"Handsome" I smiled. He laughed, "So then why did you agree to go out with me?"

"Hey! We're focusing on you remember" I said.

The food came in and we talked about our families of course I had to lie about mine. I told him I come from Los Angeles with BOTH my parents and one sibling named, Charlie. Charlie is supposed to be a football player going to NC state University. Percy just told me stuff about him that I already knew. It was nice though to hear him talk about his life.

"Hey, let me just use the restroom and then we'll leave" Percy said getting up and winking at me. I blushed which only made him laugh. I then heard someone call my name, I turned seeing Jake standing there.

"I'm sorry I'm no Annabeth, the names Sarah" I said covering my face. Jake shook his head, "No, you're Annabeth"

I covered his mouth and pulled him into an empty table.

"Shh! Geez keep your voice down!" I whispered looking around me

making sure no one heard us.

"Annabeth, what are you doing?" He said.

"My name is Sarah! What part of that don't you understand!" I said.

"None of it, you're hiding from me and lying to Percy" he said. No, I would never hide from him, ok that's a lie.

"Just leave okay!" I said starting to get up. He pulled me back down.

"No, we need to talk" Jake said, "about us"

"What!? There is no us!" I yelled and then all eyes turned to us, I shut my mouth quickly and say sorry.

"Look what you did!" I said.

"Me? You're the one who yelled" he said, then Percy came and looked at us.

"Jake, hey um, so you've met Sarah" He said holding his wallet. Jake swallowed.

"Yeah, Sarah" he said looking at me.

"Sorry, Jake, but we have to go" Percy said wrapping his arm around my waist pulling me closer to him, I blushed like crazy.

"Sorry, I must get going then" Jake said pushing past us.

"Call me" Jake said secretly handing me a piece of paper while Percy was going off to pay the Bill.

"No way" I said handing his back the paper. He looked at me and sighed.

"Fine" he walked off out of the restaurant.

I came home after Percy dropped me off at the park, we said goodbye and hope to see each other again sometime. I then realized I got no information whatsoever about how he felt about me. I quickly changed out of my clothes and went to bed. All night I kept thinking of how Percy was so happy with 'Sarah'.

My phone buzzed, I saw the screen it was Percy.

Hey, I had a great time tonight, sweet dreams ~Percy

I smiled and shut off my phone. Wait, Percy likes Sarah. Not me. What if he does. No don't think that, maybe he just wants to be great friends. Yeah, great friends. I slowly drifted to sleep thinking about the night with Percy.

**Well, there you go, sorry for the errors in the other chapters. I won't be writing till Wednsday and Thursday (My free days) Till Next chapter . BYE**

5. Chapter 5: The Fair

**Sup guys! Thanks for the reviews! But yeah, I can't take out Jake even if I wanted to because he is the whole person who gets in the way of Percy and Annabeth. Yeah, this one is going to be a long one so enjoy.**

2 weeks since I've seen Percy and I finish my early morning jog. I huff and put my hands to my waist trying to collect my energy back. I got in the car and my phone buzzed, I didn't bother to look at the phone ID.

"Hello?"

"Hey, It's me Percy" he said. I sit up straight pressing the phone closer to my ear.

"What's up?" I said.

"I was wondering if we could go on another date? You know, I had a lot of fun on our last date, figured I want to take you out again" he said I imagined him with a worry look on his face waiting for my answer, "If you're not comfortable, yet. I could ask a friend to come over" he said. I bit my lip and hesitated.

"Yeah, if you could just bring someone. I mean I just got to _knowing _you" I laughed at myself. Of course I know him I knew him since we were 12.

"Okay, great. I want to

Bring someone I know. She's great you'll like her, maybe even get along" I smirked at his response.

"Okay, bye Percy" I smiled.

"Bye, take care. Can I pick you up at your house or am I still not aloud to know where you live?" He teased. I quickly figured out something.

"We could go get lunch before the 'hangout' , how about Subway?" I said.

"Perfect, see you then" then he hung up. Wonder who this friend is, I shrugged maybe Thaila or Piper.

When I pulled up to my driveway, I saw someone at my front door, Percy. I gasped. Woah, not what I expected to come to. I got out the car, Percy came up to me smiling.

"Hey Perce, what are you doing here?" I said opening my front door. He walked in with me.

"Is it a crime to visit my best friend?" He said with one eyebrow up.

"No, guess not" I laughed, "No, really, what are you doing here?"

"I came to ask you something" he said.

"Really? What is it?" I said taking out a glass and poured in water from the refrigerator.

"To come with me to a date" He said. I looked up at him. _His friend. _

"Why? Isn't it you and your _date_?" I said avoiding eye contact with him.

"Yeah, but she isn't comfortable with just me and her alone, _again_. So I asked if I could bring someone with me and I thought of you" he said. Silence.

"Um, you know I can't. I got this uh-uh thing. I have to do, before my- I'm on my period" I say quickly not able to think of anything. He stared at me wide eyed.

"Uh, Okay? 1. I know you're lying 2. Just if you don't want to come I get it, we came out of a relationship and it's weird seeing me with someone else, but please? I can't think of anyone else but you" he said putting on his puppy eyes, that clearly don't have an effect on me.

"Fine!" I said, "but not because of your dang puppy eyes" I said setting down my glass. He smiled anyway like he just won the lottery.

I pace my room, do I go? Or not? Sarah misses the date or I do? I walk and walk. I sigh in frustration. I look at my pink wig and clothes. I pick them up and look at them. Here goes nothing.

I wait, for Percy to come in. I look out the window and I finally spot him near the entrance, he smiled. He practically ran all the way over to me.

"Hey Sarah!" He said taking a seat down across from me. He looks around the room.

"Who are you looking for?" I said.

"My friend, Annabeth. She is suppose to join us" here's my chance.

"So, this Annabeth. What's she like? How does she look like?" I said.

"Oh she's great. We used to date till she had no time for me. She hung out with this guy, asshole I like to call him, Jake. We made up and are best friends" he said, I remember that time, I regret meeting Jake, "She has these beautiful grey eyes ,much like yours, blond hair. She is the daughter of-" he stopped and covered his mouth, "forget I said that" I nodded already knowing what he was going to say. 10 minutes passed and we had finished our lunch.

"Let me call Annabeth, see where she is?" Percy said grabbing his phone.

"Wait, while you do that let me use the bathroom!" I said rushing into a restroom in a stall. My phone rang. I calmed down and

answered.

"Hello?" I said.

"Hey, where are you? We just finished lunch and leaving" he said. I sighed.

"Something came up, I can't make it. I WISH I could come and be there, but I can't" I said.

"What came up?" He said.

"Work" I lied, "there was a meeting" I looked down at my feet.

"Is it Jake?" He said.

"What?! No, of course not! Look I have to get back to my meeting, have fun" I said hanging up quickly. Pft, meeting? Please I don't even have a job. I walked out of the stall and fixed my hair and walked out, I saw Percy there and he looked sad, I felt guilty for lying to him. He stared at his phone. I walked up to him slowly. I cleared my throat.

"So is she coming?" I said. He shook his head, "She has a _meeting_ apparently, but I know she is lying because it's 8:00 at night. Come one let's go" he said getting up and out of here. I sighed. Really Annabeth, you didn't think of the time before you said _meeting. _I'm such an idiot. We walked to his car and we went to a fair that just came in last week. We walked through the place and saw people getting in and off rides, screaming from the drops on the ride. Percy held my hand and we walked just looking finally Percy broke the silence.

"So, want to go get on some rides?" He said turning to me still walking.

"Yeah, sure" I smiled. He winked at me," be right back" he walked out into the crowd toward the ticket booth. I could barely see him in the crowd, he blended in with the people. A lady passed by me and then her purse caught my wig taking it off my head, no one seemed to notice it. I ran quickly to her purse grabbing it and putting it on my hair. I tried to fix it as well as I could without a mirror. Just in time Percy came back with the tickets. He smiled.

"Hey, I got them and now we can go and-" His smile dropped as soon as he saw me and my hair, "What the-"

"I can explain, I accidently bumped into someone and I made them drop their stuff and I bent down to go get it" I said thinking over and over _Please believe it, Please believe it, Please. _He just nodded and let the subject go. I felt a huge weight lift off me. I sighed.

We had fun, He was the same seaweed brain I've known years ago. I just wish I didn't have to be in disguise to be able to be with him. Then, Jake popped up in front of us, I groaned and sighed. Jake motioned me to come with him when Percy was going off to get us something to eat. I followed him into an empty booth.

"What?" I said, he was really starting to irritate me.

"Nothing, why are you lying to Percy about this?" He said.

"Something you shouldn't know" I huffed. I looked out of the booth Percy was still in line.

"Look, I know back at camp you had something for me, don't lie to me" He said putting up a You-Know-I'm-right-Finger.

"No! Stop saying that. It's bad enough you broke me and Percy up-" He stopped me.

"No, you were spending too much time with me, so that's a sign that you like me, you broke yourselves up" he said, I glared at him.

"Let me take you out on a date, just one, then you'll know you like me" He said. I smirked.

"I wouldn't go on a date with you if you were the last person on earth" I gritted through my teeth starting to leave the booth.

"Then-I'll tell Percy who you really are?" he said. I stopped halfway out. I turned to him.

"You wouldn't" I said crossing my arms.

"Oh, yes, yes I would" I looked out back at Percy he was already ordering. Crap.

"Just one, to prove that I don't 'like' you" I said. He just smirked.

"Yeah, sure you don't" I turned away giving him one last glare before leaving. He just stood there grinning. I walked towards Percy who already had the food and drinks in his hand.

"Here let me help" I smirked. He handed me a sprite and Popcorn.

"Hey, come on. Let's enjoy the rest of the night" He said.

"Yeah, enjoy" I muttered to myself.

I stared at my ceiling. I just said my goodbye to Percy back at the fair and took the bus home, of course he didn't want to, but I insisted. Percy is amazing. Jake is what I like to call a- what's the word, oh yeah, asshole. Now, I just have to figure out an excuse to give to Percy the next time I see him since he didn't believe my "I'm in a meeting" one. I mean I kind of expected him not too, I mean it WAS 8:00 at night. Everyone in the offices would've been home by then. I kept thinking back to when I almost lost my wig. He could've found out, but he didn't that's the good part of this whole damn date. The bad thing is now I have a date with Jake. Ugh. I can't stand the guy. First, he sabotaged my date years ago making me and Percy break up, then he threatens me to go on a date with him or he'll tell Percy my identity. I really wanted to go and punch him in the face or the part where it hurts, but I needed to act civilized. I remember the time me and Percy went to Tartarus. He loved me and I

loved him. Now that's all gone. I would never forget the face when he broke up with me, full of anger and hurt and sadness. I would never forgive myself. I heard a knock on the door. I got up out of my bed and looked out the window, Percy! I take off my wig and clothes and put on my Pajamas and stuff my other clothes in the closet. I run down the stairs and the door knocks again. I mess up my hair, looking as if I were asleep. I open the door.

"Hey" I say groggily looking at him with my eyes half closed.

"Cut the act" He said, "I know you were just awake, I heard lots of movements before you came down"

"I'm sorry" I said letting him in.

"Where were you? Don't even say you were in a meeting because I know you weren't" He said sitting on a stool in the kitchen.

"Um, I was here, at home. I completely forgot about me coming with you, I cleaned up the house and stuff and the time flew" I said hoping he'd buy it. To my surprise he did.

"What's wrong with you Annabeth? This isn't like you, Lying!Cheating on me when we were dating-" I stopped him.

"First of all, I never cheated on you, I never like Jake. I'm also not lying" I said. He sighed.

"Yeah, right" He said rolling his eyes, but then he smiled.

"What's so funny?" I said smiling with him. He took my hand.

"Hey!"

He went to my fridge looking in it and took out whipped cream. He grinned. I shook my head.

"No, No, No don't you even-" He started spraying whipped cream in his mouth and motioned me to open mine. I shook my head, but then gave in. He sprayed it in my mouth and purposely let some go on my shirt. I took it out of his hands and then started spraying it down his shirt and on his hair. He stood there wiping his face. He nodded. I screamed running and laughing, he grabbed a plate and filled it with whipped cream and started running after me. I dodged his attacks and hid behind a door. He slowly walked past me and came back with his back turned against me. I slowly grinned and crept out and tapped his shoulder he turned and before he put the plate in my face I quickly put it on his. The plate fell off his face and I started laughing really hard, he shook his head laughing and took a bit of whipped cream off his face and then put it on me. I then stood there, he fell down laughing. We laughed until we realized the mess we made.

"I'll get the mop" he said.

"I'll take a nap" I said walking in different directions. He grabbed my arm, "Oh, no you don't come one help me clean the mess we made"

"We?" I said.

"Yes, we" He grinned.
